

Greetings from GKCEM!!

Computer Science and Engineering Department of Greater Kolkata College of Engineering and Management (GKCEM) organized a full-day Workshop on “ANDROID APPLICATION WITH CORDOVA PHONEGAP” on Wednesday, 6th September, 2017 in the DBMS Lab (Lab 2) of the college.

The workshop was presented by five experts from NETWIZARD (I) ENTREPRENEURSHIP DEVELOPMENT COUNCIL. In the workshop, detailed coding under different scenarios like sliding a page, backtracking a page, creating menu to build up Apps in Android environment were discussed with **pilot live project and video display**.

The students interacted with the experts enthusiastically and got very much interest to learn further on the subject which is of very high potential and has high demand in the industry.

Few snaps of the event are attached herewith.
