

## INDUCTION PROGRAMME AT GKCEM

The freshers of B.Tech. & Diploma for AY : 2018-19 were given a warm welcome on 01/08/2018 as a part of the 03 week long Induction Programme.

At the outset, a Lamp Lighting Ceremony was organized where the Director, Principal, Registrar, HODs and all faculties participated.

After an inaugural song, Director Prof. (Dr.) Subhashis Sengupta delivered the inaugural address. He shared his rich experience to motivate and encourage the students and briefed the guidelines as to how to nurture themselves and develop communication skills during their stay in this College. Director also briefed about various programmes to be conducted within next three weeks as per MAKAUT guidelines, which among others, include visit to Technological Museum, a NGO, Nearby Villages, Seminar Sessions by Eminent Personalities and Yoga/Meditation etc.

Prof. Sengupta also wished them the very best for their future career and reminded to about their family and societal commitments.

Few glimpses of the inaugural programme are annexed.
