

Industrial Visit to M/s Parle Industries Ltd

We are pleased to inform that an Industrial Visit was carried out by GKCEM for the Pre-final year Diploma students of EE and ETCE to M/s Parle Industries Ltd. at Dhulagarh on 3RD April, 2018.

Parle Industries Ltd is a well-established manufacturing and packaging company, engaged in the fields of manufacturing biscuits, cakes, toffee and different types of cookies. The process of manufacturing involves complex PLC driven systems and plant compliances of quality certification of ISO 9001.

The visit was concluded with the students interacting with the instructors with their queries.

Some photographs related to the visit are appended herewith.
